Jo Egitto @ Mamalu wanted to know if the records process was completed? And are there any other dates?

Jan Schwindt stated its not done by any stretch of the imagination.

Mary Jo Creamer stated 2 boxes were done.

Lois Hornbuckle @ Mahalua stated approximately 1% were done.

There will be future dates and they will notify Amanda to send out an email to the Committee members. As of right now, no other date has been set because Thanksgiving is next week.

Don Fee @ Pali asked are they scanning these records before they shred them?

Jan Schwindt stated, there is no shredding being done. The Records Retention Committee is only reviewing the records at this time. There is a Records Retention criteria list and the Committee is keeping a log of the files they have determined need to be destroyed. They will present those logs to the Board/Committee. The destruction would happen after that.

Don Fee asked if that criteria is available.

Jan Schwindt stated yes, get with Amanda and give her your email address.

Lois Hornbuckle @ Mahalua stated they are also doing a log for items that are being kept. So, every box should have a sheet with it.

Stacy Savage stated she is glad that it is structured, and they are moving forward in this manner.
