The covenants, conditions and restrictions shall be binding on all owners of lots in the Subdivision and all parties and persons claiming under them until January 1, 1999, and will be automatically extended for additional 10-year periods thereafter unless the owners of two-thirds (2/3) of the lots in said Subdivision shall agree in writing to terminate the covenants, conditions and restrictions and shall cause a written agreement executed by the owners of two-thirds (2/3) of the lots terminating these covenants, conditions and restrictions to be filed in the office of the County Clerk of Bastrop County, Texas.

Those areas designated as "Reserve", "Commercial" or "Tract" shall be used to provide a wide range of light business and commercial activity to serve the residential areas and only those businesses or industries which do not create offensive sounds or noxious odors or wastes shall be allowed. All such commercial business shall be subject to the approval of the Architectural Control Committee and the Tahitian Village Property Owner's Association, Inc. ("Association").
- 1.02. No lot shall be used or occupied for any vicious or immoral purpose, nor in violation of the laws of the local, State or Federal governments. The moving of used buildings onto any building site in the Subdivision is prohibited.
- 1.06. It is specifically agreed that lot owners shall not excavate, remove or sell the soil, nor cut, sell or remove timber other than as necessary for the construction of residential and associated improvements upon the property and as may be necessary for the reasonable use, upkeep and maintenance of the property which would not in any manner decrease the value of the same, and shall at all times maintain such property in conformity with the general plan and scheme of residential development as herein set forth, to the end and purposes that the property herein sold, as well as other properties in the Subdivision will maintain uniform conformative development. No leaves, brush, timber, debris or trash of any nature shall be permitted to be placed, disposed of or burned within the road right-of-ways. However, it is specifically agreed that all garbage and/or trash will be promptly hauled away by the lot owner or at his expense.
- 1.07. No billboards or other advertising signs of any nature, either commercial or private (except in areas designated as "Commercial" or "Reserve") shall be erected or maintained, save and except, reasonable "For Sale" or "For Rent" signs pertaining to the sale or rental of the tract or tracts and improvements thereon, except promotional signs erected by Grantor.
- 1.08. Whenever a residence is established on any tract, it shall provide

an inside toilet and shall be connected with a septic tank and drain field. No cesspool shall ever be dug, used or maintained on any parcel of land in this Subdivision, and drainage of septic tanks or sewage into roads, lakes, streets, alleys, ditches, ravines or upon the open ground shall be prohibited and enforceable as any other violation of these restrictions by any resident in the Subdivision or by the Association or by public body. The purchaser of a parcel of land in the Subdivision shall, upon constructing any residence upon his tract, or any person making use of his tract of land, place a culvert of sufficient size to permit the free flow of water at a point between the roadway and his property, and shall fill in sufficient dirt over and around the same to construct a driveway to the premises. The inside bottom of said culvert must be even with or below the level of the ditch. Outside toilets are strictly prohibited.

- 1.09. (a) The streets and roads shown on said recorded plats are dedicated to the use of the public. The utility easements shown thereon are dedicated subject to the reservations hereinafter set forth.

- (c) The utility easements shown on the recorded plats are dedicated with the reservation that such utility easements are for the use and benefit of any public utility operating in Bastrop County, Texas, as well as for the benefit of the Grantor and the property owners in the Subdivision to allow for the construction, repair, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sanitary sewers, storm sewers and any other utility or gas which the Grantor may find necessary or proper.
- (d) The title conveyed to any property in the Subdivision shall not be held or construed to include the title to the water, gas, electricity, telephone, storm sewer or sanitary sewer lines, poles, pipes, conduits or other appurtenances or facilities constructed by the Grantor or public utility companies upon, under, along, across or through such public utility easements; and the right (but no obligation) to construct, maintain, repair and operate such systems, utilities, appurtenances and facilities is reserved to the Grantor, its successors and assigns.
- (e) The right to sell or lease such lines, utilities, appurtenances or other facilities to any municipality, governmental agency, public service corporation or other party is hereby expressly reserved to the Grantor.
- (f) The Grantor reserves the right to make minor changes in and minor additions to such utility easements for the purpose of more efficiently serving the Subdivision or any property therein.
- 1.10. No used or new building materials whatsoever shall be placed or stored on any tract in said Subdivision.
- 1.11. If any lot owner in this Subdivision shall violate or attempt to violate any of the covenants or restrictions herein contained, then any other lot owner in the Subdivision or the Association shall have the right to prosecute any proceeding, at law or in equity,

against any person violating or attempting to violate any of the covenants or restrictions, and either prevent such person or persons from so doing by prohibitive or mandatory injunction and/or to recover damages for such violation. In the event that any portion of the provisions hereof shall become or be held invalid, whether by reason of abandonment, waiver, estoppel, judicial decision or otherwise, such partial invalidity shall not affect, alter or impair any other provision hereof which was not thereby held invalid; and such other provisions, including restrictions, reservations and covenants shall remain in full force and effect, binding in accordance with their terms.

4.03. The Association shall be entitled to contract with any corporation, firm or any other entity in order to carry out the performance of the various functions of the Association hereunder.

ARTICLE V RIGHTS OF ENJOYMENT IN COMMUNITY FACILITIES

5.01. Every lot owner, by reason of such ownership, shall have a right and easement of enjoyment in and to all community facilities, and such easement shall be appurtenant to and shall pass with every lot upon transfer. All residents in the Subdivision shall have a non-transferable privilege to use and enjoy all community facilities for so long as they are residents within the previously defined meaning of that term. All such rights, easements and privileges, however, shall be subject to the right of the Association to adopt and promulgate reasonable rules and regulations pertaining to the

use of community facilities which shall enhance the preservation of such facilities, the safety and convenience of the users thereof, or which, in the discretion of the Association, shall serve to promote the best interests of the owners and residents, including making available of certain community facilities to school children, with or without charge. 5.03. Notwithstanding the rights, easements and privileges granted under this Article V, the Association shall nevertheless have the right and power to convey any property referred to in Section 5.01 hereof free and clear of all such rights, easements and privileges if such conveyance is to a public body for public use.

ARTICLE VI ARCHITECTURAL CONTROL

6.01. No building or other improvement of any character shall be erected or placed, or the erection or placing thereof commenced, or changes made in the design thereof or any addition made thereto or exterior alteration made therein after original construction, on any property in the Subdivision until the obtaining of the necessary approval (as hereinafter provided) of the construction plans and specifications and a plat showing the location of such building or other improvements. Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of the external design with existing and proposed structures and location with respect to topography and finished grade elevation.

6.02. (a) The authority to grant or withhold architectural control approval as referred to above is vested in the Grantor; except, however, that such authority of the Grantor shall cease and terminate upon the election of the Tahitian Village Architectural Control Committee, in which event such authority shall be vested in and exercised by the Tahitian Village Architectural Control Committee (as provided in "(b)" below), hereinafter referred to, except as to plans and specifications and plats theretofore submitted to the Grantor which shall continue to exercise such authority over all such plans, specifications and plats.

(b) At such time as 75% of the lots in the Subdivision and in all others sections of Tahitian Village (as platted, from time to time,

hereafter) shall have been sold by the Grantor, the Grantor shall cause a statement of such circumstances to be placed of record in the Deed Records of Bastrop County, Texas. Thereupon, the owners in Tahitian Village may by vote as hereinafter provided, elect a committee of five (5) members to be known as the Tahitian Village Architectural Control Committee (hereinafter referred to as the "Committee"). Each member of the Committee must be an owner of property in some section of Tahitian Village. Each lot owner shall be entitled to one (1) vote for each whole lot or building site composed of more than one (1) whole lot, such building site owner shall be entitled to one (1) vote for each whole lot contained within such building site.

The Grantor shall be obligated to arrange for the holding of such election within sixty (60) days following the filing of the aforesaid statement by the Grantor in the Deed Records of Bastrop County, Texas, and give notice of the time and place of such election (which shall be in Bastrop County, Texas) not less than five (5) days prior to the holding thereof. Nothing herein shall be interpreted to require that the Grantor actually file any such statement so long as it has not subdivided and sold the entirety of the property, nor to affect the time at which the Grantor might take such action, if, in fact, the Grantor does take such action.

The results of each such election shall promptly be determined on the basis of the majority of those owners then voting in such election.

After the first such election shall have been held, thereafter the Committee shall be obligated to arrange for elections (in the manner and after notice as set forth above) for the removal and/or replacement of Committee members when so requested in writing by thirty (30) or more lot owners in the Subdivision. Members of the Committee may, at any time, be relieved of their position and substitute members therefor designated by vote as set forth above.

Upon the death, resignation, refusal or inability of any member of the Committee to serve, the remaining members of the Committee shall fill the vacancy by appointment, pending an election as hereinabove provided for.

6.03. Approval or disapproval as to architectural control matters as set forth in the preceding provisions shall be in writing. In the event that the authority exercising the prerogative of approval or disapproval (whether the Grantor or the Committee) fails to approve or disapprove in writing any plans and specifications and plat submitted to it in thirty (30) days following such submission, such plans and specifications and plat shall be deemed approved and the construction of any such building and other improvements may be commenced and proceeded with in compliance with all such plans and specifications and plat and all of the other terms and provisions hereof.

6.04. The granting of the aforesaid approval shall constitute only an expression of opinion, whether by the Grantor or the Committee, that the terms and provisions hereof shall be complied with if the building and/or other improvements are erected in accordance with said plans and specifications and plat; and such approval shall not

constitute any nature of waiver or estoppel either as to the persons expressing such approval or any other person in the event that such building and/or improvements are not constructed in accordance with such plans and specifications and plat. Further, no person exercising any prerogative of approval or disapproval shall incur any liability by reason of the good faith exercise thereof. Exercise of any such prerogative by one (1) or more members of the Committee in their capacity as such shall not constitute action by the Grantor after the election of such Committee members, notwithstanding that any such Committee member may be a director of the Grantor.

ARTICLE VII MISCELLANEOUS

- 7.01. No change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this declaration.
- 7.02. The determination of any court that any provision of this declaration is unenforceable or void shall not affect the validity of any of the other provisions hereof.
- 7.03. The Association shall be empowered to assign its rights hereunder to any successor non-profit corporation (hereinafter referred to as "Successor Corporation") and, upon such assignment the Successor Corporation shall have the right and be subject to all the duties of the Association hereunder and shall be deemed to have agreed to be bound by all the provisions hereof, to the same extent as if the Successor Corporation had been an original party. If for any reason the Association shall cease to exist without having first assigned its rights hereunder to a Successor Corporation, the covenants, easements, charges and liens imposed hereunder shall nevertheless continue, and any owner may petition a court of competent jurisdiction to have a trustee appointed for the purpose of organizing a non-profit membership corporation and assigning the rights of the Association hereunder with the same force and effect, and subject to the same conditions as provided in this Section 7.03 with respect to an assignment and delegation by the Association to a Successor Corporation.
- 7.04. Any or all of the covenants or restrictions herein may be annulled, amended or modified at any time by the recommendation of the architectural control authority, or its successors, and ratified by a vote of two-thirds (2/3) of the lot owners in the Subdivision. All such lot owners shall be given thirty (30) days notice in writing of any proposed amendment before the same is adopted. There shall be no annulment, amendment or modification of these covenants without the prior recommendation of the architectural control authority.
- 7.05. All titles or headings of the Articles herein are for the purpose of referenced only and shall not be deemed to limit, modify or otherwise affect any of the provisions hereof. All references to a singular term shall include the plural where applicable.

WE, the undersigned, being all the members of the Architectural Control Committee of Tahitian Village, Units III and IV, do hereby certify that the above and foregoing covenants, conditions and restrictions reflect the

Agreement of Covenants, Conditions and Restrictions as amended in accordance with Article VII, Section 7.04, of the original Agreement of Covenants, Conditions and Restrictions for Units III and IV originally filed in Volume 212, Page 658, of the Official Records of Bastrop County, Texas. EFFECTIVE DATE OF AMENDMENT

These amendments shall be effective on the date of filing if filed on or prior to December 31, 1998. Nothing contained in these amendments shall affect the liability of a property owner or the validity of a lien with regard to any property within the subdivision for fees or assessments which have accrued prior to the filing of these amendments in the Bastrop County Clerk's Office.
